## Liverpool Centre for Mathematics in Healthcare

### RESEARCH SHOWCASE AND FUTURE DIRECTIONS 2021

Mon 5th July 12.15-16.35  
Tues 6th July 09.50-13.00

The [EPSRC Liverpool Centre for Mathematics in Healthcare \(LCMH\)](#) was established in 2015 at the University of Liverpool, in partnership with Lancaster University and Liverpool John Moores University.

**This showcase and future directions event is for academic researchers, clinicians, industry and other potential partners:**

- > Latest research findings from the LCMH and partners.
- > How multidisciplinary research is making a difference to the healthcare sector.
- > Latest challenges and opportunities for the next generation of mathematics-related research for healthcare.
- > Meet potential collaborators.

#### Day 1 - Monday 5th July 2021

Session 1: 12.15-13.45

*Modelling infectious diseases*

Session 2: 14.05-16.35

*Multiscale modelling for healthcare*

#### Day 2 - Tuesday 6th July 2021

Session 3: 09.50-11.35

*Imaging in healthcare*

Session 4: 11.55-13.00

*Biomechanics in healthcare*
